12 December 2025

Dear Shareholder,

**Re: Jupiter Emerging Market Debt Income Fund (the "Fund")
Notification of Termination of the Fund**

We are writing to you as a Shareholder of the Fund to notify you of the decision of the Directors of the Company (the "**Directors**") to compulsorily redeem all outstanding Shares of the above mentioned Fund in order to terminate the Fund.

Termination of the Fund

The rationale behind this decision is that the Fund's total assets under management has fallen below the level at which the Fund could be managed cost effectively and remain economically viable and the Fund is unlikely to attract new material investors in the future. As at 5 November 2025, the Net Asset Value of the Fund was approximately US\$35 million.

This being the case, the Board believes that terminating the Fund is in the best interests of the Shareholders.

Please note that Article 12(a) of the Articles of Association of the Company (the "**Articles**") provides that:

"If so determined by the Directors, provided that no less than one month's written notice has been given to all the Members of the Company, fund or class, as appropriate, the Company may repurchase all of the shares of the Company, or the fund or class, as applicable."

The Directors have exercised this discretion and accordingly your Shares will be compulsorily redeemed on 20 January 2026 and the Fund will be terminated (the "**Termination Date**").

Please note that from the date of this notice, the Fund is no longer allowed to be marketed to the public and shall not accept subscriptions from new or existing investors.

The Fund will continue to be managed in accordance with its investment objective, policy and restrictions as set out in the Prospectus as closely as practicable until the Termination Date. However, the Fund may liquidate certain positions as is considered appropriate between the date of this notice and the Termination Date in order to facilitate any forthcoming redemptions and the subsequent compulsory repurchase of Shares. As such, the Fund may not always be compliant with its investment objective and policy during this period. The termination process disclosed in this notice (including the arrangements of all costs associated with the termination of the Fund) will be in accordance with and in compliance with the Prospectus and the Articles.

The Fund may begin the orderly liquidation of the Fund's assets from the date of this notice.

Costs and expenses

Please note that there are no unamortised preliminary expenses in the Fund.

It is estimated that the trading related costs associated with the disposal of the Fund's assets will be approximately 0.34% of the Net Asset Value of the Fund as of 5 November 2025 and these costs will be borne by the Fund.

To ensure fair treatment of Shareholders of the Fund, the Fund's Net Asset Value will be subject to a dilution adjustment on a daily basis up to this amount (which is estimated to be 0.34% under normal market conditions) to reflect the anticipated costs of selling the

assets held on that day. The application of the dilution adjustment with regard to the costs associated with the termination of the Fund will be in accordance with and in compliance with the Offering Document and the Articles and any other applicable rules and regulations. The dilution adjustment will reduce the Net Asset Value per Share of the Shares redeemed. This adjustment will ensure that all investors pay an equal share of these anticipated costs should they choose to redeem ahead of all assets in the portfolio being liquidated. Investors who remain as Shareholders in the Fund at the Termination Date (and therefore will receive net cash proceeds available for the purpose of the distribution derived from the liquidation of the Fund's assets on a pro-rata basis) will also pay an equal share of these anticipated costs.

Other costs and expenses, including any legal, advisory or administrative costs relating to the termination of the Fund, will be paid by the Manager or the Investment Manager.

Free redemption / conversion

From the date of this notice and until 19 January 2026, you may redeem your holding or convert your current holding in the Fund for another sub-fund offered by the Company, without any redemption charge or conversion fee applying, by following the procedures described in the Prospectus. Before investing in another sub-fund of the Company, please ensure that you have read and understood the investment policies and fees applicable to the relevant sub-fund as described in the Prospectus. Copies of the Prospectus are available free of charge on request from the Administrator or the Company's appointed representative in the relevant country (as disclosed in the Prospectus or relevant supplement thereto).

In order to affect an orderly closure of the Fund, Shareholders who wish to redeem or convert their Shares in the Fund are advised to do so by submitting a redemption request or conversion request (as the case may be) to the Administrator in accordance with the provisions of the Prospectus, by no later than **12.00 noon (Irish time) on 19 January 2026**. Orders placed through intermediaries may be subject to an earlier dealing deadline. Investors should pay attention to the arrangements of the intermediary concerned.

On the Termination Date, all outstanding Shares in the Fund will be compulsorily redeemed. The proceeds from the compulsory redemption will be calculated based on the Net Asset Value of the Fund as at 12.00 noon (Irish time) on the Termination Date. No repurchase or conversion requests will be accepted after the Termination Date. Should you remain as a Shareholder in the Fund as at the Termination Date, the Depositary will
