SFDR reclassification of one sub-fund of Franklin Templeton Investment Funds

Dear Shareholder,

We would like to inform you that the board of directors of Franklin Templeton Investment Funds (the “**Company**”) has decided, in light of investors’ demand, to have the Templeton Global Total Return Fund (the “**Fund**”) reclassified from Article 6 to Article 8 under the Sustainable Finance Disclosure Regulation (“**SFDR**”) and to create its SFDR related disclosures in order to further integrate ESG factors into the investment process and to reinforce the Fund’s binding commitments.

As a consequence of the above, please note that the following changes will be made to the Prospectus:

- (i) the SFDR precontractual disclosures for the Fund will be added to Appendix G of the Prospectus;
- (ii) the Investor Profile sub-section of the Fund will be updated to state that the Fund may appeal to investors looking to invest in a fund compliant with Article 8 of the SFDR;
- (iii) “Sustainability risk” will be added to the list of risks which are particularly relevant for the Fund, under section “Risk Considerations”; and
- (iv) the following paragraph of the Fund’s investment policy will be replaced by a new paragraph to make reference to its SFDR precontractual disclosures as follows:

~~“The Fund employs a proprietary Environmental, Social and Governance (ESG) rating methodology to assess government bond issuers, which is derived from a composite of subcategories determined to be material to macroeconomic performance. The research team assigns scores on all invested countries by overlaying their views on a benchmark created by global indexes for current scores. Projected numbers in anticipation of how conditions will change in the medium term are emphasized as part of the research process. Preference is given to countries with higher ESG ratings or projected neutral to improving ESG ratings. ESG subcategories, weightings, and global indexes used may change over time. The Investment Manager performs ESG rating methodology on all potential and current holdings but the results of this methodology can be deviated from in the portfolio construction.”~~

The Fund employs Environmental, Social and Governance (ESG) methodologies on the sovereign and corporate issuers that are existing or potential investments for the Fund. The Fund’s Environmental and/or Social characteristics (within the meaning of Article 8 SFDR) promoted are detailed in the Appendix G.”

The above changes will become effective as from 21 May 2025 and will be reflected in an updated version of the Prospectus, a copy of which will be available online or at the registered office of the Company. Upon request of a shareholder, a draft KID and a draft of the SFDR precontractual disclosures of the Fund are available at the registered office of the Company.

Impact

Since the Environmental, Social and Governance (ESG) considerations were already part of the investment research and process of the Fund, the changes detailed above will have no material impact on the way the Fund is currently managed, its portfolio's composition, its risk profile or SRI nor on the fees charged.

All other features of the Fund remain the same.

What you need to do

You do not need to do anything if you are satisfied with the change. You also have the option to switch your shares into other funds of the Company provided that such funds are available for distribution in your country. You may also request a redemption of your investment. Should you wish to proceed with either option, please refer to the latest Prospectus terms. Such requests of switch or redemption will be executed free of charge, provided that they are received at the latest by 21 May 2025.

Please note that "free of any redemption charge" does not apply to the contingent deferred sales charge ("CDSC") for all classes subject to such CDSC, due to the nature of such fee. Accordingly, should you decide to redeem any shares subject to a CDSC, such redemption will be subject to the applicable CDSC as more fully disclosed in the Prospectus.
