

Banking services arrangements during Severe Weather

O-Bank Co., Ltd., Hong Kong Branch (the Branch) will cooperate with Hong Kong Exchanges and Clearing Limited which starts from September 23, 2024 implementing measures to maintain the normal operations of Hong Kong's securities and derivatives markets during severe weather by providing the following services:

Weather conditions	The Branch's arrangement
Black Rainstorm Warning is in effect <u>during working hours.</u>	The Branch will stay open where conditions permit.
Black Rainstorm Warning <u>before working hours,</u> typhoon warning signal No. 8 or above or the Hong Kong SAR Government's "extreme conditions" are in effect.	<p>Clearing and settlement of cheques received on the previous business day (including e-cheques) will be processed;</p> <p>Auto-debit/Auto-credit services will remain available;</p> <p>Remittance services that facilitate fund transfers for client's stock transactions will remain available.</p> <p>**</p> <p>Others services will be suspended.</p>

****** Please contact your dedicated relationship manager to submit the aforementioned transaction instructions.

If a transaction cannot be processed due to incomplete or incorrect remittance details, insufficient account balance, or other reasons, such transactions will be deferred for processing until the Severe Weather conditions have ended during business hours.

Severe Weather refers to the conditions where the typhoon signal No. 8 or above or the black rainstorm warning is issued by the Hong Kong Observatory or the Hong Kong SAR Government makes an "extreme conditions" announcement.
